COURSE DESCRIPTION:

In this diversified driving tour experience, you'll make your way to at least 18 cultural, historical, and or natural sites in Central Oregon (from Warm Springs to Prineville), where you'll discover the natural and human history of this area. You will learn about the region's past, present, and future potential. In addition, you will learn much about the natural fauna and flora of the region as you explore forested trails, volcanic areas, and alpine regions. Along the way, you'll develop dozens of ideas for bringing the study of Central Oregon to your students.

This course is appropriate for teachers of all subjects, grades K-12. Upon registration with the Heritage Institute, the instructor will send the course manual free of charge. Choose and read an additional text resource from the annotated bibliography on pages 8 & 9 of this syllabus.

The Co-Instructor for this course is Jake Gordon, M.S. Ed.

LEARNING OUTCOMES: Upon completion of this course, participants will have:

As a result of taking this course, participants will learn:

1. The cultural history of Native Americans in Central Oregon, including their lifestyles and their artwork.
2. The significance of the region's earliest non-Native American explorers, including Peter Skene Ogden, Nathaniel Wyeth, John C. Fremont, and Alexander M. Drake.
3. The flora and fauna that are native to the region as you explore natural sites, forested trails, volcanic areas, and alpine regions.
4. About the Oregon State Park System, and the recreational opportunities provided here.
5. About the communities that comprise Central Oregon: Warm Springs, Madras, Terrebonne, Redmond, Bend, Sisters, Sunriver, Fort Rock, and Prineville.

INSTRUCTOR COMMENTS ON YOUR WORK:

Instructors will comment on each assignment. If you do not hear from the instructor within a few days of posting your assignment, please get in touch with them immediately.

QUALIFICATIONS FOR TEACHING THIS COURSE:

Peter Chausse, B.S. is a former elementary school teacher, who has specialized in teaching his students about trees, plants, urban parks and natural areas.

Before beginning his teaching career, Peter earned a degree in Forestry from the University of Maine. His training included coursework in Dendrology (tree identification), Forest Management and wood product usage.

In the early 1980's, Peter worked for the U.S. Forest Service in the state of Washington, where he focused on tree identification and scientific observations. Since 1994, Peter has taught a course through The Heritage Institute titled, 'Studying Portland's Trees' During the course, participants learn how to recognize several dozen tree species as they explore Portland's parks and historic neighborhoods on foot. Ideas for the integration of tree study with math, art, science, literature, writing and social studies activities are presented and discussed.

Peter has had a lifelong love of trees, and is eager to help you acquire more tree knowledge. He is also dedicated to helping you bring this information to your students in fun and meaningful ways.

Co-Instructor:

Jake Gordon, M.S. Ed., graduated from Western Oregon University. He became a teacher due to his desire to share the world with his students and give them the skills needed to explore and understand the world around them.

In 2017 Jake took an academic sabbatical to pursue his graduate studies. He moved to Germany and completed a year of graduate studies at the world-renowned American Studies Leipzig Institute at the University Leipzig. With an expanded worldview and knowledge base, Jake returned to Oregon, where he earned an M.S. in Social Studies Education from Western Oregon University in June 2019.

He currently teaches social studies and geography at Adam Stephens Middle School in Salem, Oregon. In addition to teaching, Jake is an elected member of the Center for Geography Education in Oregon.
